Thank you for enrolling Temple Community Hospital with Commercial Lighting Efficiency Offer program to upgrade energy efficient lighting systems. All your staff was professional and courteous at every level of service.

We are pleased not only with all the savings but the overall appearance and the fact that we are following green guide lines. With high expectations in longer lifetime of newly installed lighting systems, we can also reduce maintenance costs significantly.

We truly and greatly appreciate Green Energy Innovations for providing us energy-saving lighting systems with excellent quality and service with full professionalism. The results are very much satisfied.

Sincerely,

John Skelton
